EDUCATION

UNH Coding Bootcamp — Sept. 2020 to Current

Miami Dade College — 2010 to 2012

American Senior High School — HD 2010

SUMMARY

I am a dedicated full stack developer that is looking for a carrier that I would be able to grow along side with. You would be able to find my projects at my github link.

SKILLS

FRONT-END: HTML, CSS, JavaScript, React
BACK-END: Node JS, MongoDB, MySQL, PWA, React

EMPLOYMENT

CALLOGIX — 8 Commerce Dr, Bedford, NH 03110
Customer Service Representative — 2016 to 2018

I would process customer information, took applications for PENSKE Logistics, Provide guest service for Blue Cross Blue Shield, and place orders for NCM and Stonewall Kitchen with customer support.

3M — 7 Industrial Way # 6B, Salem, NH 03079
Machine Operator — 2018 to 2019

I was employed after being promoted as a contingent worker. I Made military helmets and gear and trained new employees.

AVON RUBBER — 7 Industrial Way # 6B, Salem, NH 03079
Machine Operator — 2019 to 2020

After 3M had a facility acquisition, I then was employed by Avon Rubber.
